County Information

- No further meetings until fall

Vice President – Randy Shimanski

Randy provided a budget update, there is some detailed/itemized work to do for further understanding on a few expense categories.

We will be voting on President, Secretary, Trail Maintenance and Membership in July. Current directors are running again, except for Trail Maintenance, which is open.

Randy noted that any bylaw changes will need to be voted on in July. A few categories were discussed:

- Does the director structure/size need to be considered?
- We have an individual and family membership, both at the same price of \$30 and each with 1 vote. Should we change the family to \$40 and allow 2 votes?
- Adapt for notification on annual meeting/voting and process?
